

Vocabulary Homework Example:

All vocabulary homework is to be completed on a separate sheet of LINED filler paper that can be put into a 3-ring binder. Please complete the layout similar to the example below. Leave space each night for the next section of the work. This is to be kept as a running dictionary in your binder.

1. term: adjust (v): alter or move something to achieve the desired fit, appearance, or result.

sentence: My pants were too loose this morning, so I had to adjust my belt.

synonym: change, shift, edit, adapt

antonym: *near antonym* (means there is no clear opposite word) misadjust
